Brakes

installed finally--her
antique MG. What
a JOB! Then he took

test-drive. Up Treacher
to WAWA advertised it

“Never Closed” the one On Lark?
Was shut! Thus no bathroom!
Christ! His eyeballs floated!

Worse comes to worst, he
could always run to nearby woods.

After a moment, massive SUV
plows him & little car there.

Presently sways@Great
Urinal in the sky.
